Combination for year 20 \_\_\_\_\_ Control No. \_\_\_\_\_ Ride No. \_\_\_\_\_

**APPLICATION FOR AND CONSENT TO COMBINE WATER RECORDS AND WATER DELIVERIES**

This application to combine the water records and water deliveries is submitted with the understanding that, if consent thereto is given, it will be subject to the following rules, regulations, and stipulations:

1. Changes to combinations must be submitted by the operator each year. If no changes are submitted the combination will carry forward as it was the previous year.
2. A \$25 non-refundable fee shall accompany application(s) submitted not to exceed \$150.00 per operator to cover handling costs.
3. Deadline for submitting applications is the last business day of May. Applications submitted on June 1 to the last business day of July shall bear a \$100 late charge. No application will be accepted after the last business day of July.
4. All lands in combination must be on the same ditchride and same lateral system. NC parcels within 0.5 canal miles may be combined as well.
5. All lands in combination must be operated by one operator unless in common delivery. If in common delivery, only the designated operator on this combination will be recognized as the operator. **Common Delivery?** Yes No
6. For determining peak delivery capacity during times of proration, parcels in combination will be treated like other parcels not in combination to ensure all parcels on the lateral system receive the same proportions.
7. To control excess water usage on a per parcel basis any parcel receiving over four and a half feet (4.5) per acre excess will be automatically dropped from the combination. Any prior purchase will remain with the combination and purchase will be adjusted in accordance with applicable rates after excess parcel(s) are separated.
8. Owners need to sign the combination form(s) to allow combination with a lessee's owned parcels.
9. A combination may be broken only if a new operator is in possession of the land and both parties agree and sign off on the original combination plus a \$250.00 fee, \_\_\_\_\_
10. All assessments on parcels in combination must be paid and RRA paperwork completed. If any are unpaid or RRA paperwork is not in by the deadline, the combination will not be approved.

The lands listed below are hereby requested to be combined.

List all parcels on separate lines. Each line must be signed.
